## Safeguards

(UP)

- 4** - You made a long and complex password!
- 9** - You stored your password in a password manager!
- 36** - You enabled 2-Factor Authentication to login to your account!
- 43** - When your friend asked for your password, you said no!
- 69** - You received a pop-up window on the screen during your game but you did NOT enter your password!

## Pitfalls

(DOWN)

- 46** - You re-used the same password on more than one account!
- 61** - You used your name and birthdate in your password!
- 71** - Your password "123456" is easily guessed!
- 74** - You didn't change the default password given to you when you made the account!
- 98** - You gave your password to another player so they could "send you a prize"!
